RLC's Philadelphia-Reflections

"An experience that any Teke must undergo at some point in their collegiate career. It reaffirmed that this really is a Fraternity for life, and we are Better Men for a Better World."-
Zach Dale, Epiprytanis

RLC was great. Seeing Fraters, especially those I went to high school with, was a surreal experience. I brought back tons of new things to help the chapter grow and prosper"

-Brett Sutterley, Public Relations Chair

"RLC was a great experience, it was really neat to meet Teke's from around the region. The seminars were really helpful and gave us some great ideas for Philanthropies and other events." -*Jose Aguimatang, Philanthropy Chair*

"I grew and learned so much from RLC's. It was a great time and I took away lessons and memories that will last a lifetime" -*Eric Stanley, Pylortes*

From Left to Right: Jose, Cody Lanmen, Eric Stanley, Brennan Outar, Zach Dale, Matt Mitchell

RLC's was a great experience. I learned a lot that I intend on bringing back to the chapter. I also enjoyed seeing how our brotherhood is so diverse yet we all share the common values of TKE." -*Matt Mitchell, Bylaws Chair*

A Message from the President

Hello my name is Cody Lanman, the new Prytanis of the Mu Omega Chapter.

I wanted to introduce myself. I was born in the middle of nowhere, Grand Forks North Dakota. I am the second of five children. My father is a colonel in the Air Force and is retiring this June after thirty years. My mother is a stay at home mom enjoying her last year of having kids at home, next year my triplet younger siblings all go off to college. My major is Civil Engineering, with no minor at the moment, currently I am looking at Business or Chinese. I work in the Civil Engineering and facilities department of the University. Beside Tau Kappa Epsilon, I play Rugby for George Mason, and I am a member of American Society of Civil Engineers. I pledged fall of 2010 (Gamma Iota). Scroll number 795. Tau Kappa Epsilon has made a huge impact in my life. I came to college as an awkward chubby, unconfident boy and now I am a confident, slightly less chubby man. Three years ago I never would have thought I would be president of anything let alone an organization as awesome as this. We as a chapter have improved immensely in the past couple of years, and even more so in the past year thanks to Mitch Gillman, without him I probably would be incredibly lost. I am very excited for this next year we are making great progress improving in all aspects such as Brotherhood, Academics, and Membership (The scroll is up to 840!). Any advice or suggestions would be greatly appreciated, either things you all think would help myself or the chapter or even things you would like to see the chapter do. My email is tekepresident@gmail.com please anytime shoot me a message.

I look forward to potentially meeting some of you sometime in the near future.

Yours in the Bond,

Cody Lanman
