## MU-OMEGA

Issue 2 Volume 1 : August 19, 2011

### MESSAGE FROM THE PRYTANIS

Fraters of the Mu Omega Chapter,

As we enter a new school year, I hope this newsletter finds you all well and having had a relaxing summer. I hope everyone had a chance to take some well deserved time off to spend with family and friends.

This year is an exciting one for Mu-Omega as we are planning to implement a new leadership development program, and we are looking forward to developing the future leaders of the chapter.

These leaders will be important to the future growth and

management of the chapter, which brings me to my next topic, Rush.

We all know and remember that preparing for rush is coordinated effort between the many fraters who make up the rush committee, so my thanks goes out to them for the time they spent getting rush ready.

We are excited about this year's prospects' and are expecting a big turnout. We have a couple great events planned and with some updated guidelines, we expect to bring in a class that is not only social, but academically strong as well.

We hope to see the alumni out at the events,

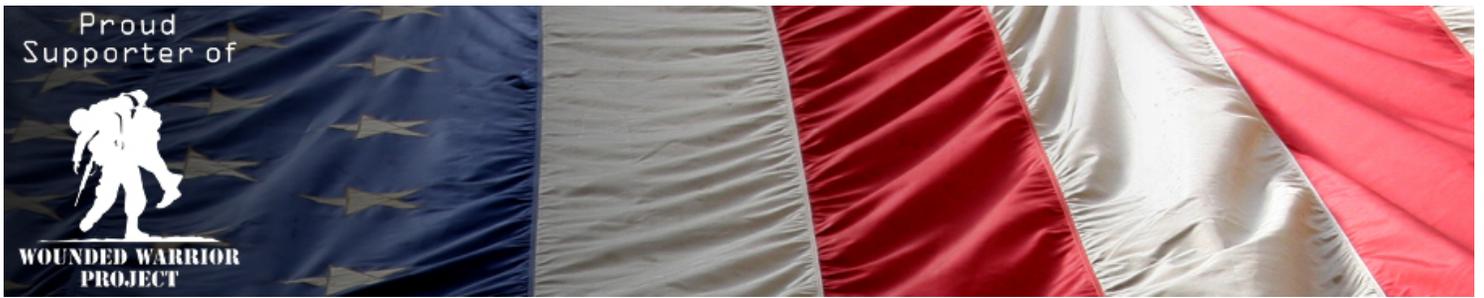

your wisdom and salesmanship are always welcome.

YITB,

Jeremiah Howdeshell

Prytanis, Mu Omega 659

## HISTOR'S CORNER

### Upcoming Events

September 3: Wounded Warrior Softball Game @ GMU

September 4: Nats Vs. Mets/ Wounded Warrior Softball game exhibition

September 19-23: Fall Recruitment

October 15: Crab Bake@ the house

November 12: Alumni Football/ TKE Thanksgiving

Fraters,

I am looking forward to a great semester full of brotherhood activities and a lot of Alumni support.

Alumni please let me know if there are issues or ideas you would like to see addressed, either through Chapterboard or through direct email.

I'm hoping all of you noticed the invite that went out on Facebook about the Wounded Warrior Softball game. If not, here is the link; <http://www.facebook.com/event.php?eid=143860539034995>

I'm trying to organize a group outing to the game on the 4<sup>th</sup> of September at National's Park. It'll be a great time if we get a lot of guys to go and girlfriends, wives and children are welcome. One of the players for the Warriors is a TKE from WV.

His name is Brian Taylor and he lost his leg below the knee in an IED explosion in Iraq. A couple of us met him when they came to Mason in the Spring. I would also like to take up a collection to present as a donation to the Wounded Warrior Project so if you or anybody you know would like to contribute, I would be grateful.

As always, if there are any questions, comments or concerns, please feel free to reach out to me directly. [dprandolph@gmail.com](mailto:dprandolph@gmail.com). YITB,

David Randolph

## Philanthropy

This semester we are planning to step up our game as it were in the philanthropy department.

We are going to continue the breast cancer awareness bracelets that we were selling in the spring, supporting Frater Matt Voshell's girlfriend Jennifer Kwiatek a breast cancer survivor (The team is called [Jennifer's Journey](#) Team ID: 135785). We are hoping to get the support of the AOPi's, Jennifer's sisters on campus.

Of course our efforts to support St. Jude's Children's Hospital will continue, and we are looking at a couple new ideas for these fundraisers, including

another date auction, and a hooters car wash. Any ideas on how to raise some money please feel free to contribute them.

As always we will continue to support the local Red Cross with their INOVA Blood Drives and with our continued support, we hope to help them exceed their fall blood drive goal as we have in the past three blood drives.

Our new philanthropy this semester is the Wounded Warrior Project. This charity provides a lot of things to soldiers who have come home from war after losing a limb or suffering from some major trauma, and their families. We are planning two main events for this, the first being the Nats game on September

4<sup>th</sup> and a DC united Game/Tailgate in the spring.

Please help us in supporting all of these great causes this semester and in the future. Remember all charitable donations are tax deductible, except the blood of course.

YITB,

Ace Ismaili # 799  
Philanthropy Chair
